## CALLS FOR SERVICE

There was an overall increase in the number of calls for service during the first quarter of 2015 when compared to the same time period in 2014. This decrease is a result of officer-initiated activity rather than citizen calls for assistance.

Officer-initiated activity increased 4%, or 363 more events than during the same time period in 2014. Citizen-initiated calls for service declined 1% with 36 fewer calls in 2015 than in 2014.

Arrest Charges for Adults and Juveniles**

# ARRESTS

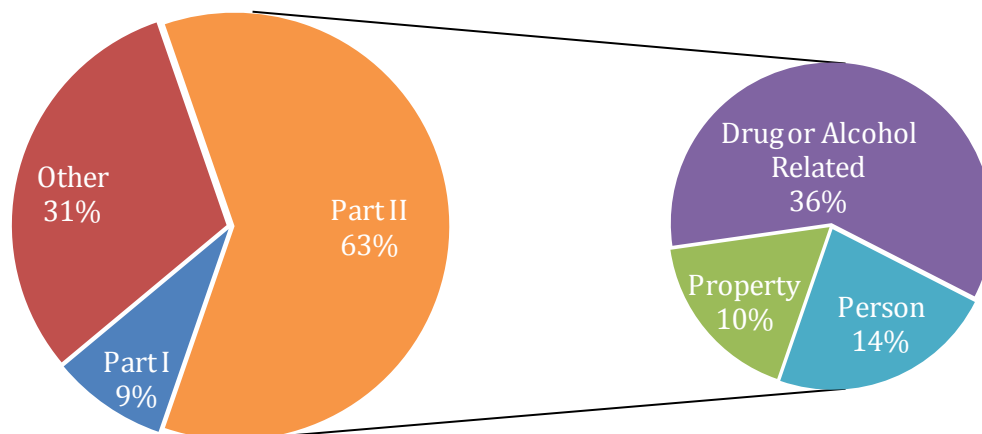

One-third of the arrests made during the first quarter of 2015 were for substance use related charges (alcohol, marijuana, illicit drugs, underage use).

The “other” category is largely arrests for active warrants originating from other agencies.

Note: there are more *arrest charges* than *arrests* (as reported on the previous page) because some people are arrested on multiple charges.

The top five intersections with the most reportable crashes during the 1st quarter of 2015 ranged from 4 to 6 accidents for a total of 28 (24% of the quarter total). Twenty-four people reported injuries.

### 2014 1st Quarter Top Crash Locations: Crashes, Injuries, and Fatalities

## CRASHES BY CAUSE FACTOR

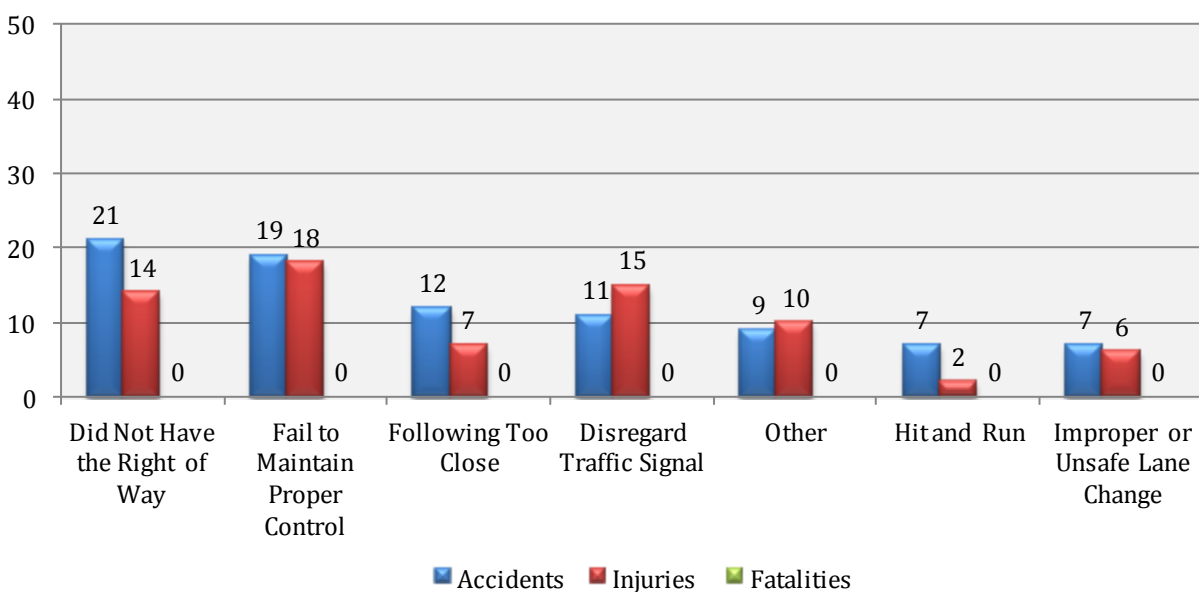

In the first quarter of 2015, the most common cause of traffic crashes was drivers not having the right-of-way or drivers failing to maintain proper control.

The result was a total of 40 crashes and 32 injuries, about one-third of the crashes City-wide.
