## CALLS FOR SERVICE

There was an overall increase of 5% in the number of calls for service during the second quarter of 2013 when compared to the same time period in 2012. However, the increase is a result of officer-initiated activity rather than citizen calls for assistance.

Officer-initiated activity increased 9%, or 1,051 more events than the same time period in 2012. Citizen-initiated calls for service declined 6% with 265 fewer calls in 2013 than in 2012.

# ARRESTS

Four out of every 10 arrests made during the second quarter of 2013 were for substance use related charges (alcohol, marijuana, illicit drugs, underage use).

Other frequent arrests were for assaults, fraud, vandalism, and disorderly conduct. The “other” category is largely arrests for active warrants originating from other agencies.

Note: there are more *arrest charges* than *arrests* (as reported on the previous page) because some people are arrested on multiple charges.
