Department News:

I hope that you had a snow day that enabled you to spend a little time reading our annual report. While I have submitted reports to you each year, this year I decided to go all out. This report is designed to provide information about the types and numbers of services that we provide, as well as information about the department. This document was made available to the public through Facebook, Twitter, and the Town of Abingdon web-page. The department has received many positive comments concerning this document and our effort to make the public more aware of what we do.

The word for the month was snow. While I am a fan of winter, I am ready for spring. The snow created problems for many departments and occupations. For public safety, it is just another day, snow or not. We had very little difficulty getting around, thanks to the steady work of the snow removal crews and all-wheel drive vehicles. Two weeks of snow had a tremendous impact upon the number of summons issued and the number of crashes. Surprisingly, the number of crashes was very low. The weather also played a tremendous impact on the number of calls and the number of arrests in the month of February.

Mental Health Report:

In order to keep you better informed of the mental health transport issue, I have decided to provide a monthly brief detailing our mental health transports and the associated costs.

Emergency Custody Orders that turn to Temporary Detention Orders:

February 25	6.5 hours of wait time and transport time JMH to Clearview in Lebanon (61.66 mi.)	Cost: \$153.69
February 26	17.5 hours of wait time and transport time JMH to Alleghany Medical Center – Low Moor, VA	Cost: \$515.34
February 28	12 hours of wait time and transport time JMH to Alleghany Medical Center – Low Moor, VA	Cost: \$414.59

In the month of February the police department spent 75.5 hours either waiting in the ER with a patient or in transport with a patient. This came at a direct cost to the agency of \$2,483.12. This equates to \$191.00 per mental health event.

Enforcement News:

The department conducted DMV overtime enforcement during the month of February. Three (3) officers worked an additional eighteen and a half (18.5) hours of enforcement on three (3) different dates. These officers made nine (9) traffic stops issuing eight (8) citations and providing one (1) enforcement warnings. All nine (9) citations were for excessive speed.

For the month of February the department responded to 319 calls for service. We were able to close all but 9 of those calls. This gave us an overall clearance rate of 97.1 percent for the month. The department responded to 21 IBR reportable cases in the month of February; at the conclusion of the month, 6 remained active. This gave us a clearance rate of 71.4 percent for all IBR offenses for the month of February.

As always, I am eager to address any questions or concerns you may have.
