Douglas W. Keen
Chief of Police

The City of Manassas Police Department continues to focus its efforts on the ever changing and increasingly demanding task of ensuring our community is safe, engaged and committed to maintaining the high quality of life we have become known for. Community Policing continues to be the basic framework for this objective and we have achieved many accomplishments by following this philosophy, supplemented with the "Hot Spot-data driven" policing methods. In 2013 we implemented the "Abatement Task Force". This approach allows us to analyze what addresses are using the most resources and holds property owners accountable for the crimes occurring on the property they own. Using this method has resulted in numerous evictions and changes to business security plans. Our proactive approach has prevented crime and allowed our staff to spend more time interacting with the community.

As you will see within this report, Calls for Service have increased by 2% and Officer Initiated Calls have increased by 3%- this is attributed to our staff being proactive, in the neighborhoods, handling crime BEFORE residents need to call for our services. The Part 1 Offenses (Serious and Violent Crime) **decreased** by 7% and all other offenses increased by 4%. This increase is mainly due to Quality of Life calls- narcotic possession, alcohol offenses and juvenile cases. When combined, Overall Crime remained flat (0%).

The Crime Prevention Specialist, a position that figures prominently in our Community Policing efforts, has worked tirelessly with our residents and Community HOA's to expand or implement new programs that benefit our community as a whole- RAD, Refuse to be Victim, Neighborhood Watch and security checks. Looking forward, retention of staff will be the top priority. We must ensure that we retain staff and remain competitive with surrounding jurisdictions' retention and compensation plans. Without proper staffing levels, we will revert back to being reactive instead of proactive.

We continue to enjoy recognition through the Commission on Accreditation for Law Enforcement Agencies. In August, our three year on-site assessment was conducted. I am proud to report that we achieved the highest level possible- Gold Standard, with Excellence. This is the second audit/assessment in a row (6 years) that we achieved the highest level possible with 100% compliance.

As the Chief of Police, I want to commend the professionalism, dedication and commitment of all of the men and women of this Department. I also want to acknowledge the exceptional working relationship we have with our regional partners in law enforcement and the strong partnership we have fostered with the City Council and other City staff. I can assure you we value these relationships and will continue to work to maintain them as well as the trust of our citizens as we move forward to fulfill the shared vision we all have for the City of Manassas.

Sincerely,

Douglas W. Keen
Chief of Police

Police Department General Information

The Manassas City Police Department serves a population of nearly 40,000 people with a staff of 130, 96 of which are sworn police officers.

Even through the recent economic hardships, the population in Manassas has continuously increased as it has over the past three decades and as a result, the Police Department employs more officers now than it ever has.

DEMOGRAPHICS

2013 Estimated City Population¹: 40,690

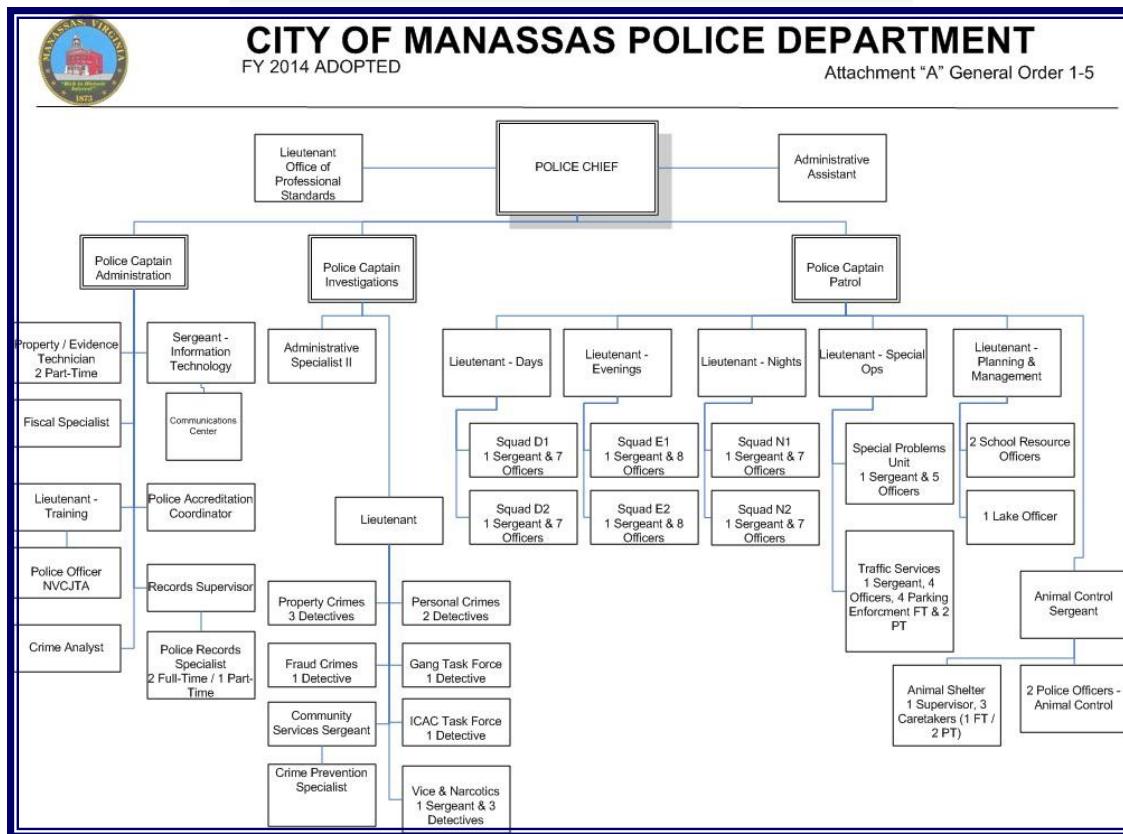

Land Area: 12 Square Miles

Total MCPD Employees: 130

Total Full-Time Sworn MCPD Employees: 96

Sworn Employee Rate per 1,000 Inhabitants: 2.4

Organization Chart

In 2011 and 2012, the Manassas City Police Department hired and trained the most new patrol officers in its history. The past year remained a challenging year for staffing as a result of resignations and officers injured both on duty and off. Twelve employees were hired in 2013, eight employees resigned or retired, and thirteen people sustained injuries that limited their work capacity (seven exceeded thirty days).

¹The Source for the 2013 Population Estimate is the July 2013 estimate provided by Weldon Cooper Center for Public Service at www.coopercenter.org.

2013 Department Achievements

2013 Prince William County Chamber of Commerce Valor Awards

Bronze Medal Recipients: Officer Chris Golick and Officer Adam Plourde

In May 2012, Officers Golick and Plourde were on foot patrol in the Point of Woods community when they heard screams coming from a residence as a result of a house fire. The officers quickly notified dispatch and made the decision to enter the house to assist the residents to safety. They escorted four residents from the home to include a young child and an elderly male, and notified responding Fire Department personnel of the location of a remaining resident inside the home. All were found to be in good medical condition and Officers Plourde and Golick assisted with follow-up procedures and ensured the family had alternative housing. Officers Plourde and Golick were awarded the Medal of Valor for their gallantry and for placing their lives in peril to ensure the safety of the residents.

Hillary Robinette Award Recipient: Master Detective Dave Abbott

Beginning in November 2011, Detective Abbott in partnership with detectives from multiple agencies opened an investigation regarding multiple sexual assaults of a student that occurred in the 1990s. After the initial charges were made, additional victims came forward, exposing sexual abuse by the suspect spanning a period of almost three decades. Detective Abbott led hundreds of hours of interviews and countless hours of evidence collection and examination with Prince William County Police Department, the FBI, and the Northern Virginia ICAC Task Force.

In March 2012, a 63 count indictment was handed down, and later the suspect pled guilty and received 80 years in prison. Detective Abbott received the Hillary Robinette Award for conducting a methodical, cross-department investigation that exposed the full magnitude of crimes and brought a long-time predator to justice.

Lifesaving Award Recipient: PFC Dann Villanueva

On May 25, 2012 at 6:04PM, Fire and Rescue units were dispatched to the area of Wellington Road and Hendley Road for a report of a juvenile in cardiac arrest. PFC Villanueva was flagged down by friends of the juvenile and advised of his condition.

Officer Villanueva and a bystander performed CPR on the juvenile and Fire and Rescue personnel performed advanced lifesaving skills. Together, they saved a young life that day. PFC Villanueva was awarded the Lifesaving Award for his quick thinking and heroic actions.

2013 Manassas Rotary Officer of the Year: PFC Dann Villanueva

2013 Manassas City Police Department Employee of the Year: Officer Trey Cram

In February 2013, Officer Trey Cram responded to a 911 call for a one year old child choking and having trouble breathing. Once he arrived on scene, the child became unresponsive and was not breathing. Officer Cram began administering cardiopulmonary resuscitation (CPR) and the child soon began breathing on his own and responding. Medics arriving on scene took over the medical treatment of the child, and stated that Officer Cram's actions increased the child's chances for survival.

Officer Cram applied his training and experience to respond without hesitation during these critical moments to save the child's life. He showed compassion and comfort towards the family in this stressful situation and also transported them to the hospital.

2013 Crime Prevention and Community Services

Manassas City Police Department in the Community

The Community Services Section, together with Patrol Division's Planning & Resource Management Section, acts as the point of contact and spearhead for facilitating police attendance at various community events.

Police participation at events varies from demonstrations by specialty units (Motors, K9, Bike Team, etc), to equipment displays, to conversation in a casual setting. Events themselves range from City-wide annual festivals, to sporadic block parties and presentations hosted by small groups, to station tours for preschoolers.

The process for requesting demonstrations and presentations became more streamlined in 2012 with the online request form that serves as a direct, user-friendly link between citizens and the Police Department.

- ◆ St. Patrick's Day Parade
- ◆ Spring Cleaning Day
- ◆ Railway Festival
- ◆ Big Day of Serving
- ◆ Celebrate America July 4th Event
 - ◆ Latino Festival

- ◆ 2 Help Eliminate Auto Theft (HEAT) VIN Etchings
 - ◆ 14 Station Tours with Demos
- ◆ 12 School Visits, Demos and Presentations
- ◆ 2 Drug Enforcement (DEA) Take-Back Events
 - ◆ 4 Town Hall Meetings
 - ◆ 28+ Other Events

2013 Crime Prevention and Community Services

Preventing and Reducing Crime by Empowering Citizens

MCPD provides opportunities for citizens to expand their knowledge on risk reduction and avoidance through a variety of Community Services programs. Among them are the CPTED Assessment service which leaves property owners with a report containing recommendations they can use to reduce crime on their properties, NRA Refuse To Be A Victim seminars, and Rape Aggression Defense (RAD) Systems of Self-Defense.

In 2013, five RAD (Rape Aggression Defense) courses were offered to basic, advanced and senior students for a total of 106 hours of instruction and 50 participants.

**Refuse
To Be A Victim.**

In 2013, three Refuse to Be A Victim courses were offered, totaling 36 hours of instruction and 54 participants.

In 2013, MCPD received the Virginia State Police award for etching the most vehicles in the state at one of its HEAT events in 2012.

H.E.A.T. VIN Etchings: MCPD, in collaboration with Virginia State Police, Prince William County Police Department, volunteers, and local sponsors, hosted two VIN etchings in 2013 in an effort to prevent motor vehicle thefts.

MCPD Online

A screenshot of the MCPD Online website. The header includes links for "Our Government", "Our Community", "Doing Business", "Things To Do", and "I Want To...". Below the header, there's a "Police Department" section featuring a photo of a police car. The main content area is titled "Safety Tips" and lists various topics like Home Security, Personal Safety, Community Involvement & Neighborhood Watch, Transportation Safety, and Hazardous Materials.

A screenshot of the MCPD Crime Report page from September 23, 2013. The page title is "Manassas City Police Department Crime Report September 23, 2013". It features a "Crime Prevention Tip" box with the heading "Be sure to roll up all windows, close your sunroof if you have one, and lock the doors and trunk. Thieves have a tendency to stake out parking lots, where they watch people put bags and other items into the trunks of their vehicles, so be sure to stow items away before your arrival rather than waiting until you reach your destination." There are also sections for "Transportation Safety" and "Community Involvement & Neighborhood Watch".

Specialty Units

K9 Patrol and Narcotics Detection

In 2013, K9 Mako retired and Officer McCarthy and K9 Loki joined the unit. This unit was responsible for numerous drug seizures from hotel rooms, residences, and vehicles in 2013. Several cases also led to the seizure of concealed weapons and US currency used in narcotics distribution.

The officers with their K9s also participated in a number of public demonstrations for camps, schools, and community groups and events over the course of the year.

From left to right: | MPO Rust and K9 Sultan | Special Operations Supervisor Lieutenant Hutchinson | Officer Shubert and K9 Rex | Officer McCarthy and K9 Loki | Patrol Division Commander Captain Lawler | SPO Swirchak and K9 Max

Motors Section

The motors section is a team of officers in the Patrol Division that handles the patrol functions of traffic enforcement and traffic crash response, in addition to supporting community events. They made appearances in parades throughout the year, provided services at memorial services and as funeral escorts, provided security and traffic direction for special events, and participated in the Osbourn Student Police academy. Master Police Officers Hogan and Ovalle competed in the Mid-Atlantic Police Competition in Fairfax, Virginia and Master Police Officer Hogan competed in the Steel City Motor Competition in Pittsburgh, Pennsylvania.

From left to right: MPO Hogan, MPO Ovalle, MPO Pavalok, SPO Mangione
Not Pictured: Sgt Hatcher

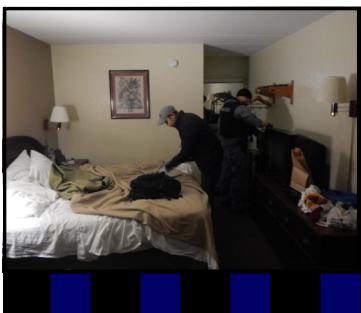

Specialty Units

Special Problems Unit

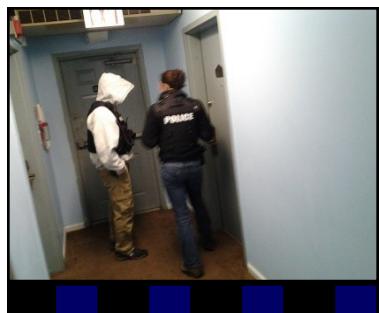

The Special Problems Unit addresses community concerns that require long term solutions and partnerships with community stakeholders such as business owners, residents, and other criminal justice agencies. The officers address chronic concerns citizens have about the community, they provide surveillance, conduct extraditions from other jurisdictions, and support patrol operations.

The foundations of this unit are the modern police strategies that support targeted enforcement in areas of high crime or disorder and encourage collaborative problem solving among those affected by the crime or disorder, namely Hot Spots Policing and Problem Oriented Policing. Studies have shown that when fully implemented, these techniques can be more effective than standard law enforcement techniques.

For more information on these strategies, visit the U.S. Department of Justice Community Oriented Policing Services (COPS) website at cops.doj.gov or the COPS Center for Problem-Oriented Policing at www.popcenter.org.

- ◆ 23 Fugitive Apprehension Operations, in-state and out-of-state
- ◆ Thousands of dollars seized in narcotics and prostitution investigations, including a marijuana growing operation, heroin, and prescription medication
- ◆ Approximately 800 hours of patrol on Lake Manassas

- ◆ Multiple joint operations with the Vice and Narcotics Task Force and the Prince William County Police Street Crimes Unit investigating street level narcotics violations and conducting hotel interdiction operations with special attention on identifying victims of human trafficking, prostitution rings, and substance abuse, especially involving juveniles.

Abatement Program

Initially, the purpose of the abatement program was to identify people and addresses involved in narcotics possession or distribution and to then notify the property owners of the activity and develop corrective action. Later, it expanded to include a collaboration between the Fire Marshall, Property Maintenance Code Enforcement and Department of Family Services to address issues such as overcrowding, hoarding, and other property and safety related violations and nuisances.

Three business owners and nine residential property owners were contacted by the Police Department in 2013. All business owners are now in compliance, as well as six of the residential property owners (tenant evictions). Two cases are pending and one case was deemed non-compliant.

2012-2013 Comparison Summary

PART I OFFENSES/SERIOUS AND VIOLENT CRIME

7% decrease (1,000)

TOTAL PART I AND ALL OTHER OFFENSES AND INCIDENTS

0% increase (4,661)

DOMESTIC VIOLENCE REPORTS

Reports – 6% decrease (660)

Arrests – 5% increase (139)

GRAFFITI – 14% decrease (40)

DRIVING UNDER THE INFLUENCE – 17% increase (252)

CALLS FOR SERVICE – 2% increase (63,655)

OFFICER-INITIATED ACTIVITY – 3% increase (46,225)

RESPONSE TIMES (Call Received to Officer Arrival)

Priority 1 – 36 second decrease

Priority 2 – 50 second decrease

Priority 3 – 1 minute, 5 second decrease

ARRESTS – 13% increase (2,549 individuals)

Adult – 11% increase (2,341 individuals)

Juvenile – 50% increase (208 individuals)

Arrest Charges – 9% increase (3,285)

TRAFFIC ENFORCEMENT – 20% decrease (7,496)

TRAFFIC CRASHES

Most Crashes – Day of Week: Saturday; Hours of Day: 2pm-6pm

Highest Intersection – Centreville Rd/Liberia Ave

Cause Factor – Did not have right of way

MOTOR CARRIER SAFETY

Total Inspections – 24% decrease (70)

Violations – 68% decrease (23)

PARKING CITATIONS – 28% decrease (4,551)

ANIMAL CONTROL

Complaints – 6% decrease (1,711)

Officer-Initiated Calls – 39% increase (1,264)

CRIME AND INCIDENT ANALYSIS: 2013 Crime Rate

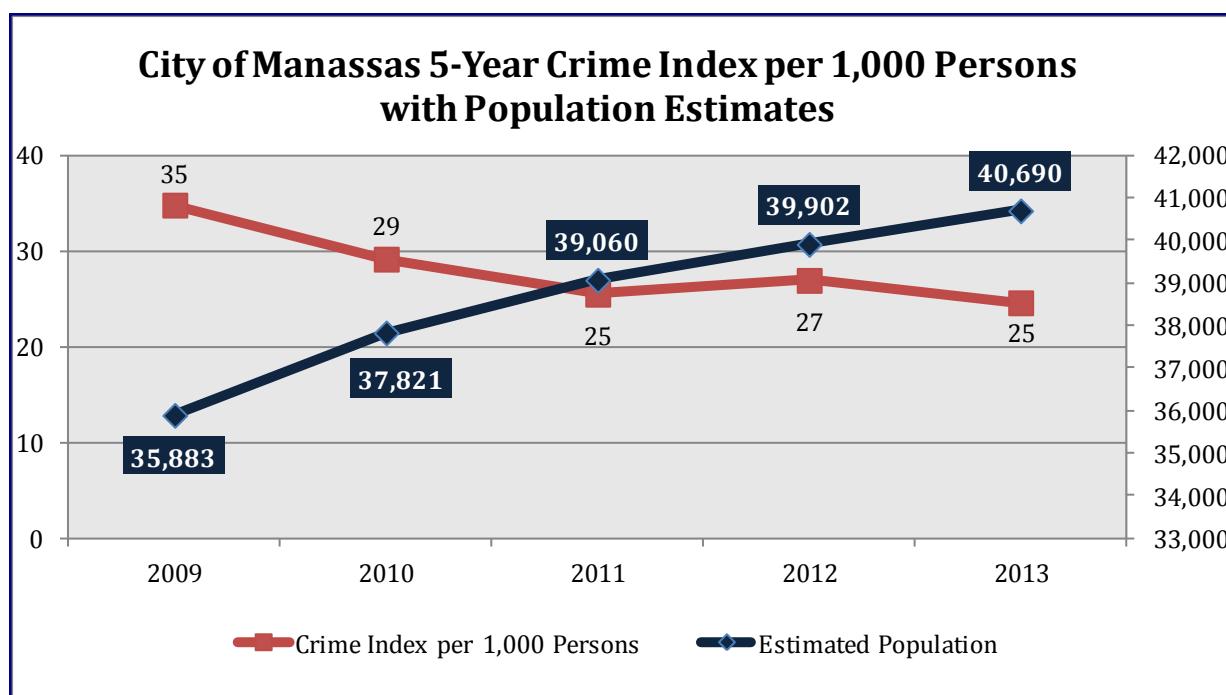

The crime index is a ratio of the number of reported Part 1 offenses compared to the estimated population in a jurisdiction for the year. It makes it possible to compare crime across jurisdictions.

Part 1 offense categories that are used to calculate the crime rate are person crimes (homicide, rape, robbery, aggravated assault) and property crimes (burglary, larceny, and motor vehicle theft).

The crime rate in Manassas City for 2013 was 25 crimes per 1,000 persons, or 3 person crimes per 1,000 persons and 24 property crimes per 1,000 persons. These rates are slightly lower than national crime rates reported by the FBI for 2012 (4 person crimes and 29 property crimes per 1,000 persons) and higher than the rate reported in the neighboring Prince William County in 2011 (17 crimes per 1,000). Consistent with regional and national crime trends, the majority of crimes reported in Manassas City are property crimes (89%), specifically larceny, while 11% of reported crimes are committed against persons.

Although the population in Manassas has been steadily increasing, the crime index has been at its lowest in recent years compared to the last decade. Between 2003-2009, the crime rate was between 33-37 crimes per 1,000 persons.

¹Source: Weldon Cooper Center for Public Service at www.coopercenter.org.

CRIME AND INCIDENT ANALYSIS

This table shows every crime or concern for which the police took a report in 2013. The total number of serious and violent crime reports (part 1 offenses) decreased by 7% as a result of decreases in robberies, burglaries and larcenies from motor vehicles.

The number of overall incidents reported to the police in 2013 were consistent with the number of reports in 2012 (0% change, 2 more reports taken). Frequently, these reports were for found property, to report suspicious activity, for assaults, vandalisms, fraud, vehicle hit-and-runs, possession of drugs, and runaway juveniles.

THE NUMBER OF INCIDENTS REPORTED TO POLICE IN 2013 WAS CONSISTENT WITH THAT IN 2012.
SERIOUS AND VIOLENT CRIME DECREASED BY 7% IN 2013.

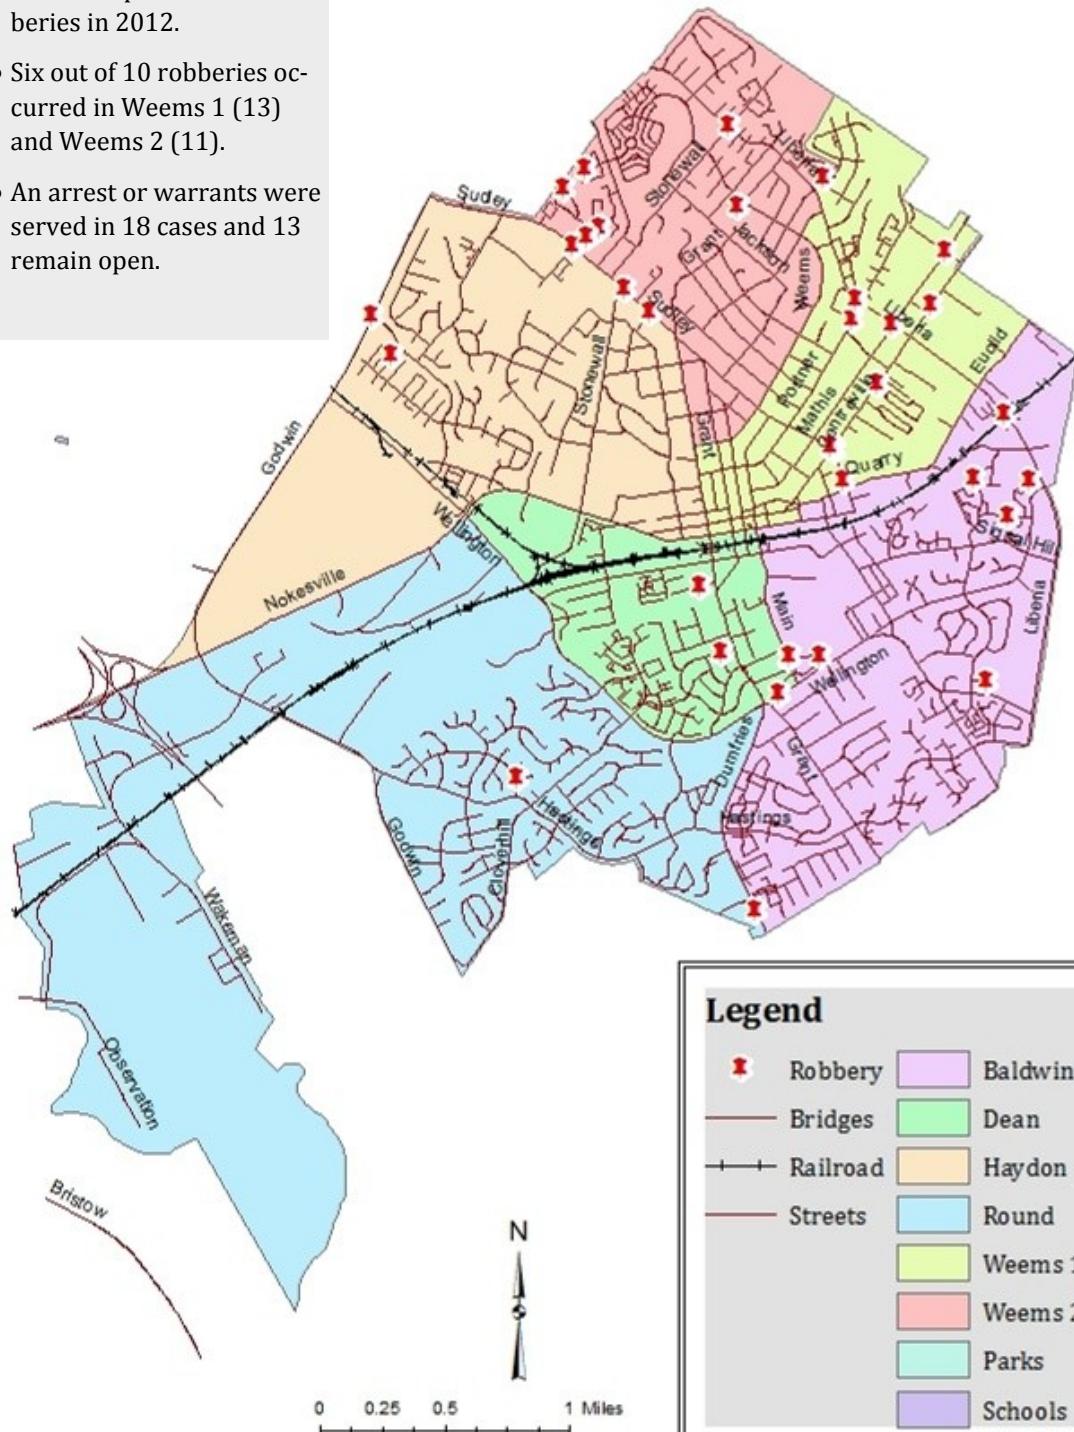

SERIOUS AND VIOLENT CRIME	2009	2010	2011	2012	2013	Amt of Change 12-13	Rate of Change 12-13
<i>Crimes Against Person</i>							
Murder / Non- Negligent Manslaughter	2	1	4	3	0	-3	-100%
Negligent Manslaughter	0	0	0	0	0	0	NC
Forcible Rape	17	16	22	15	17	2	13%
Robbery	56	51	51	51	39	-12	-24%
Aggravated Assault	82	50	46	54	55	1	2%
<i>Crimes Against Property</i>							
Burglary	156	122	123	118	99	-19	-16%
Larceny	836	785	680	776	729	-47	-6%
Auto Theft	99	77	69	58	61	3	5%
Part I Offenses	1,248	1,102	995	1,075	1,000	-75	-7%
5 - YEAR AVERAGE OF PART I OFFENSES:							1,084
Simple Assault	251	514	276	310	281	-29	-9%
Domestic Violence	271	287	350	259	246	-13	-5%
Other IBR Offenses	2,889	2,424	2,860	3,220	3,339	119	4%
TOTAL OFFENSES	4,659	4,327	4,481	4,864	4,866	2	0%
5 - YEAR AVERAGE OF OFFENSES EXCLUDING PART I OFFENSES:							4,661

Use caution when interpreting percentage changes. When dealing with small numbers, remember that small number changes cause large percentage changes.

CRIME AND INCIDENT ANALYSIS: OFFENSE LOCATIONS

2013 Robbery Locations

- There were 39 robberies in 2013 compared to 51 robberies in 2012.
- Six out of 10 robberies occurred in Weems 1 (13) and Weems 2 (11).
- An arrest or warrants were served in 18 cases and 13 remain open.

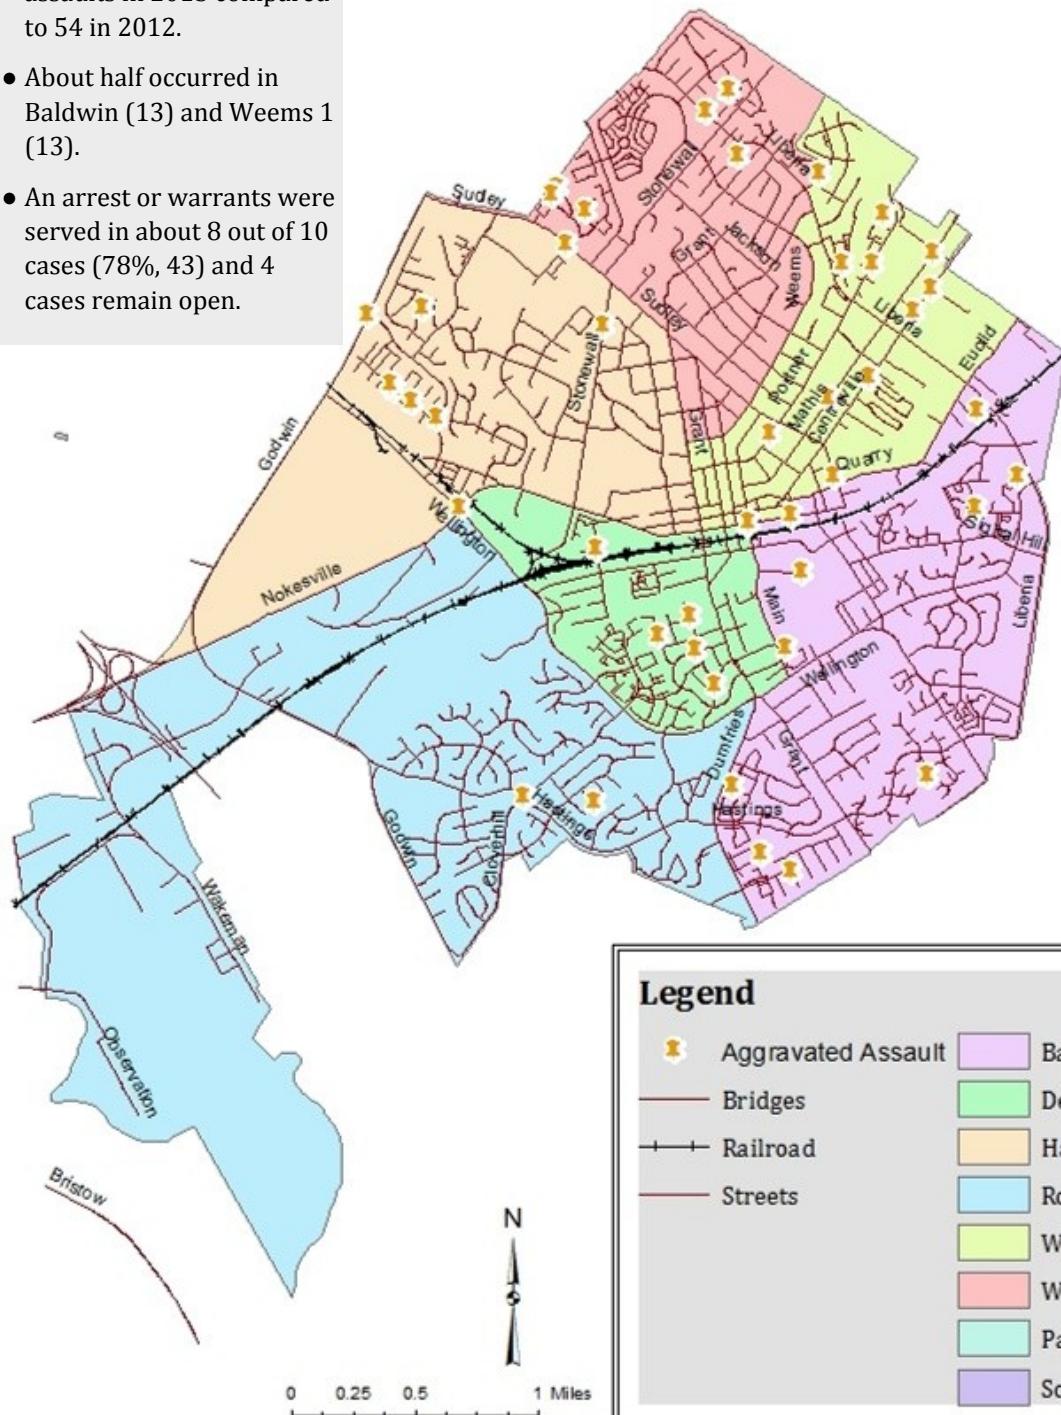

This map is intended for reference purposes only. The City of Manassas does not provide any guarantee of the accuracy or completeness regarding the map information.

Records retrieved from MCPD RMS Incident records. Created February 19, 2014 by crime analyst T. Hines.

CRIME AND INCIDENT ANALYSIS: OFFENSE LOCATIONS

2013 Aggravated Assault Locations

- There were 55 aggravated assaults in 2013 compared to 54 in 2012.
- About half occurred in Baldwin (13) and Weems 1 (13).
- An arrest or warrants were served in about 8 out of 10 cases (78%, 43) and 4 cases remain open.

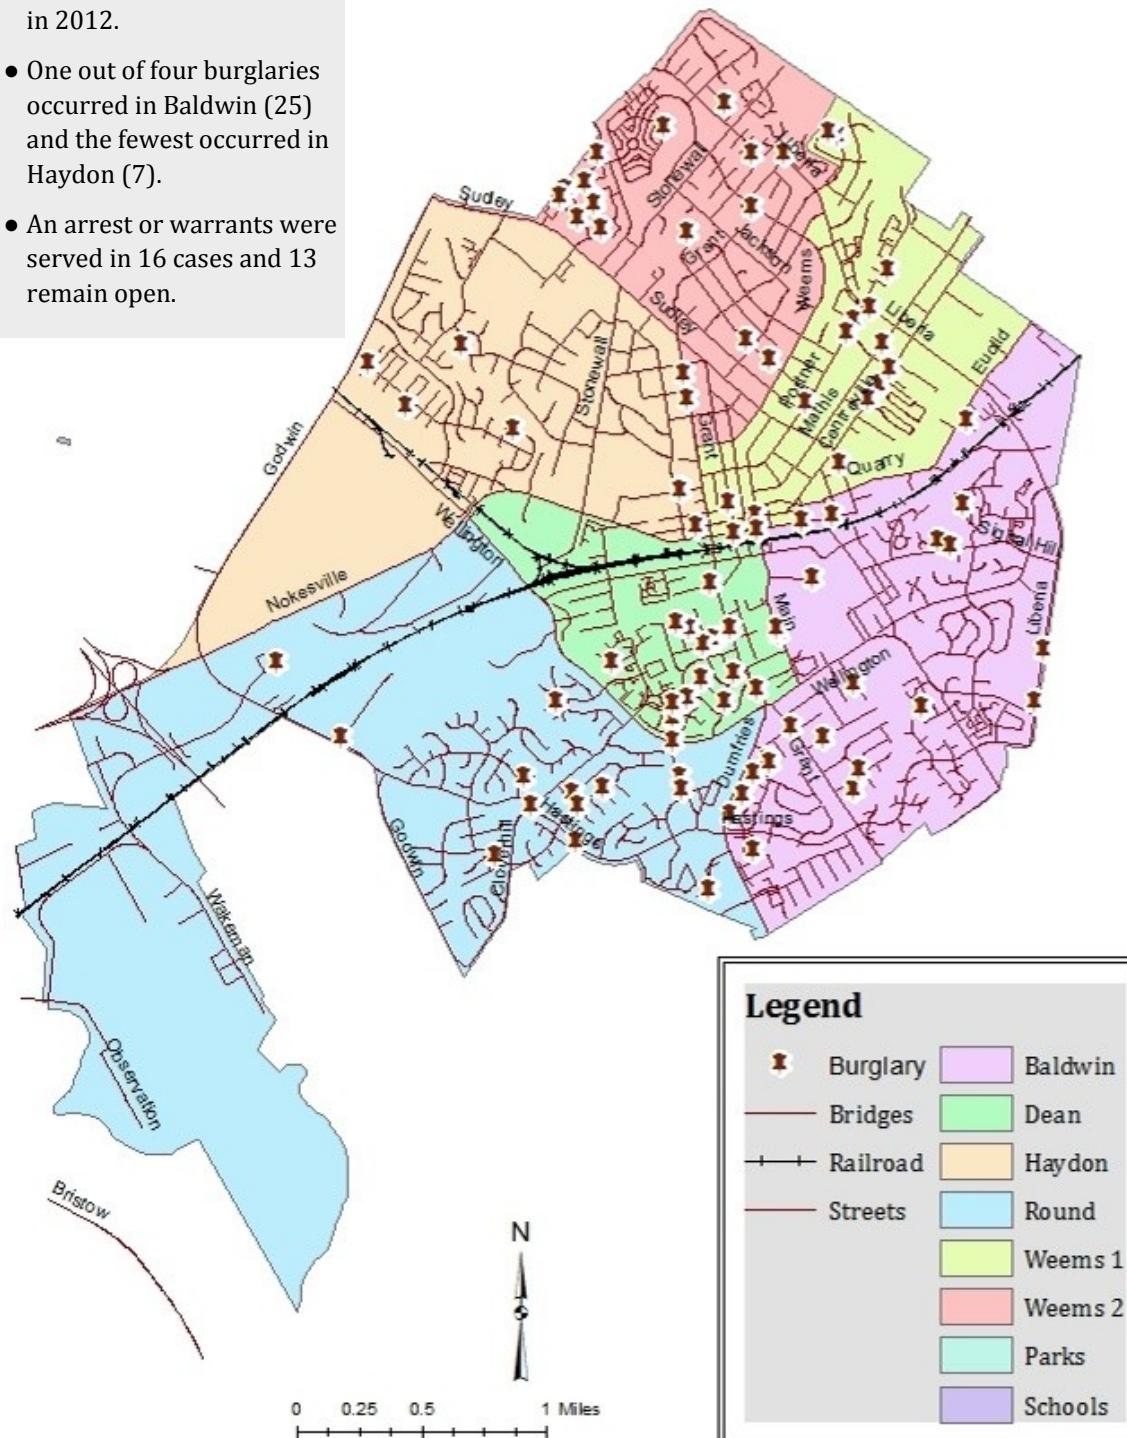

This map is intended for reference purposes only. The City of Manassas does not provide any guarantee of the accuracy or completeness regarding the map information.

Records retrieved from MCPD RMS Incident records. Created February 19, 2014 by crime analyst T. Hines.

CRIME AND INCIDENT ANALYSIS: OFFENSE LOCATIONS

2013 Burglary Locations

- There were 99 burglaries in 2013 compared to 118 in 2012.
- One out of four burglaries occurred in Baldwin (25) and the fewest occurred in Haydon (7).
- An arrest or warrants were served in 16 cases and 13 remain open.

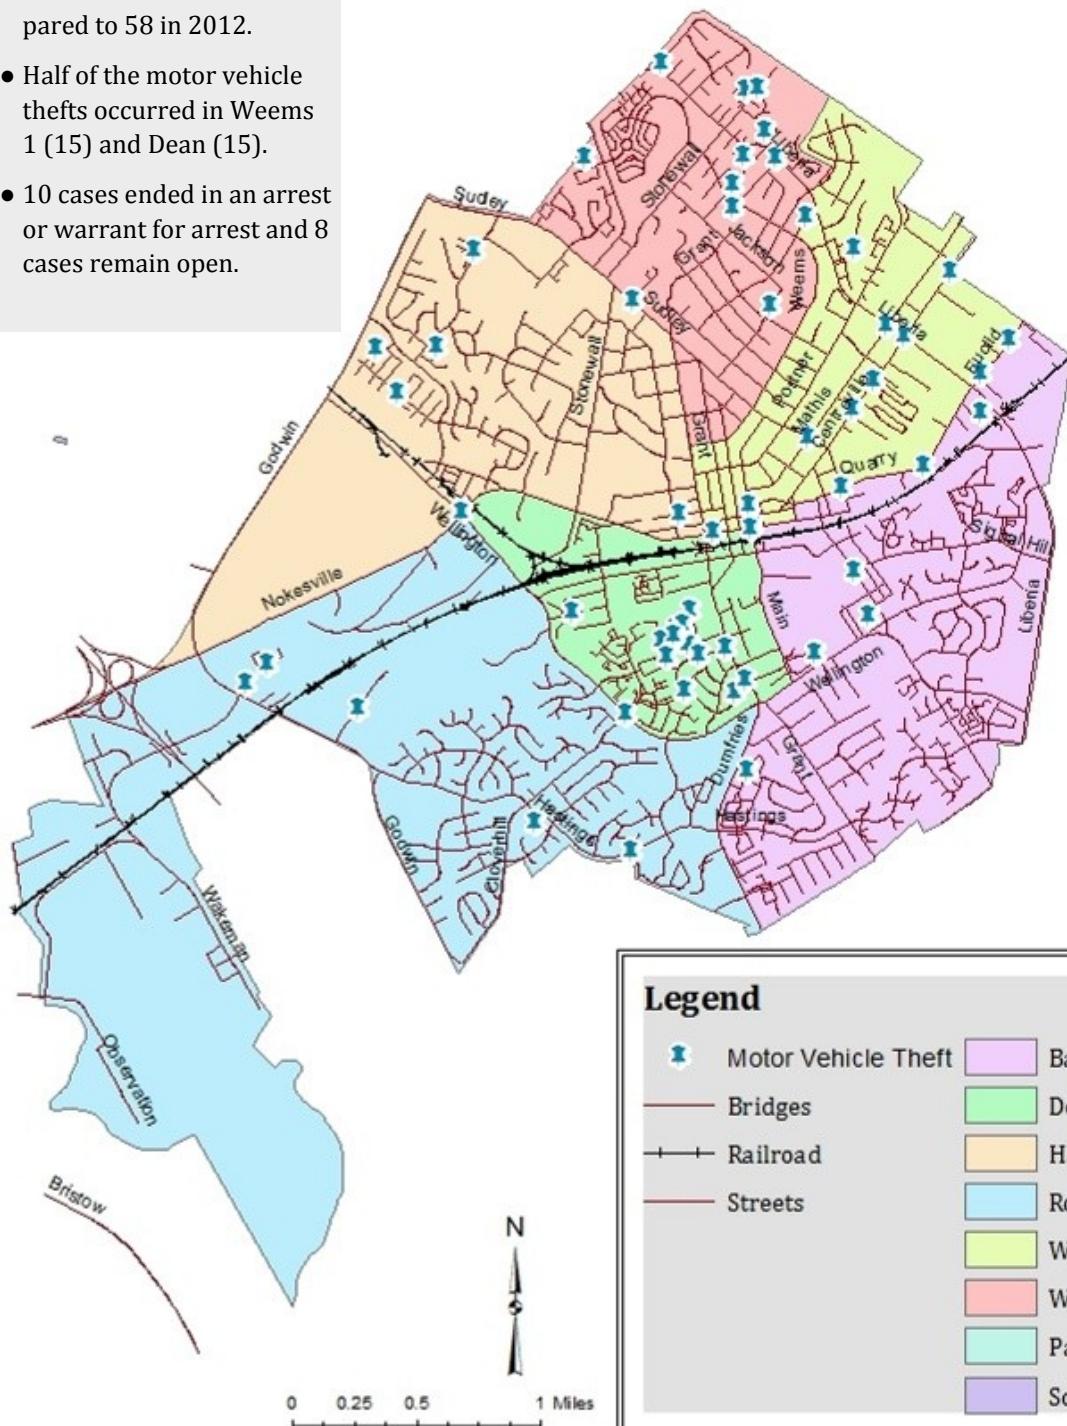

This map is intended for reference purposes only. The City of Manassas does not provide any guarantee of the accuracy or completeness regarding the map information.

Records retrieved from MCPD RMS Incident records. Created February 19, 2014 by crime analyst T. Hines.

CRIME AND INCIDENT ANALYSIS: OFFENSE LOCATIONS

2013 Motor Vehicle Theft Locations

- There were 61 motor vehicle thefts in 2013 compared to 58 in 2012.
- Half of the motor vehicle thefts occurred in Weems 1 (15) and Dean (15).
- 10 cases ended in an arrest or warrant for arrest and 8 cases remain open.

This map is intended for reference purposes only. The City of Manassas does not provide any guarantee of the accuracy or completeness regarding the map information.

Records retrieved from MCPD RMS Incident records. Created February 19, 2014 by crime analyst T. Hines.

Select Quality of Life Offenses

Domestic Violence (violent and verbal)

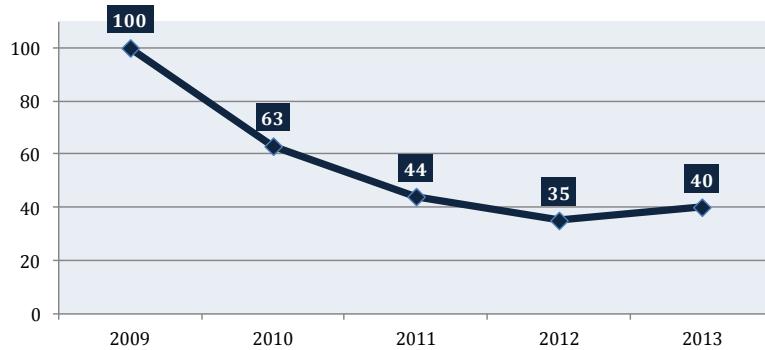

In 2013, **14% of all reports** of crime and disorder were for domestic disputes, both violent and verbal in nature. There were slightly fewer reports taken in 2013 compared to 2012 and 57% resulted in an arrest.

It is a common problem in which officers are asked to intervene and it is one of the more common reasons adults *and juveniles* are arrested (See page 22).

	2009	2010	2011	2012	2013	Amt of Change 12-13	Rate of Change 12-13
Domestic Reports - Violent	271	287	350	269	246	-23	-9%
Domestic Reports - Non-Violent	350	376	433	428	414	-14	-3%
Total Domestic Reports	621	663	783	697	660	-37	-5%
Domestic Violence Arrests	139	145	178	133	139	6	5%
Percentage of Violent Domestic Reports that resulted in an Arrest	51%	51%	51%	49%	57%		

5 Year Comparison of Graffiti Reports

Graffiti

There are two main categories of graffiti artists. Some are taggers and consider their graffiti artwork and others are associated with gangs and use graffiti to mark their territory.

In Manassas, the number of graffiti reports has significantly declined over the past four years due in part to the City's aggressive and timely removal procedures.

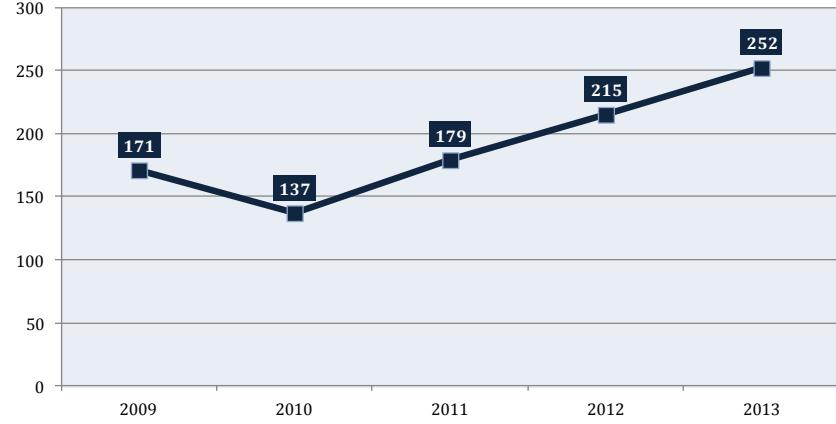

In 2013, there were 40 reports of graffiti, 21 of which were associated with suspected gang activity.

Driving Under the Influence of Alcohol

There were more DUI arrests in 2013 than in any of the previous five years, a growing trend since 2010.

Most of the DUI arrests in 2013 were made in the evening and overnight hours, and on weekends.

5 - Year Comparison of DUI Arrests

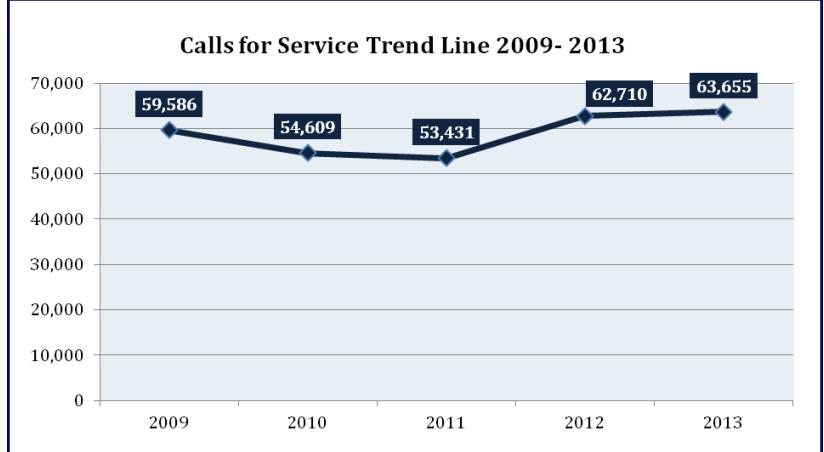

CALLS FOR SERVICE

The total number of calls for service increased 2% in 2013, from 62,710 to 63,655, as a result of a slight increase in officer-initiated activity (+1,282 calls). There were 337 fewer citizen calls for assistance in 2013 than in 2012.

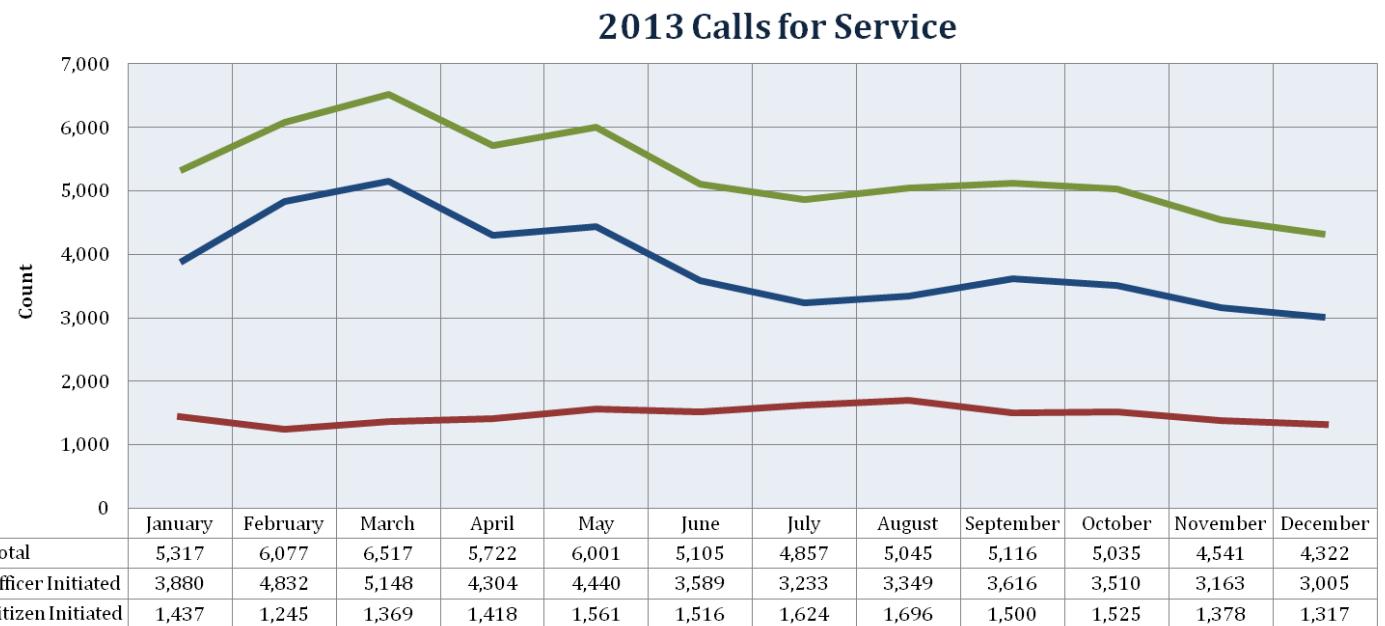

- ◆ The average number of calls for service per year for the five year period 58,798.
- ◆ The calls-for-service projection for 2014 is between 57,700 and 64,800 based on year totals since 2000.

Officer-initiated activity is essentially taking proactive steps to prevent or interrupt crime and disorder. This is accomplished in a variety of ways:

- ◆ Traffic stops
- ◆ Patrols throughout the community
- ◆ Business checks
- ◆ Engaging community members

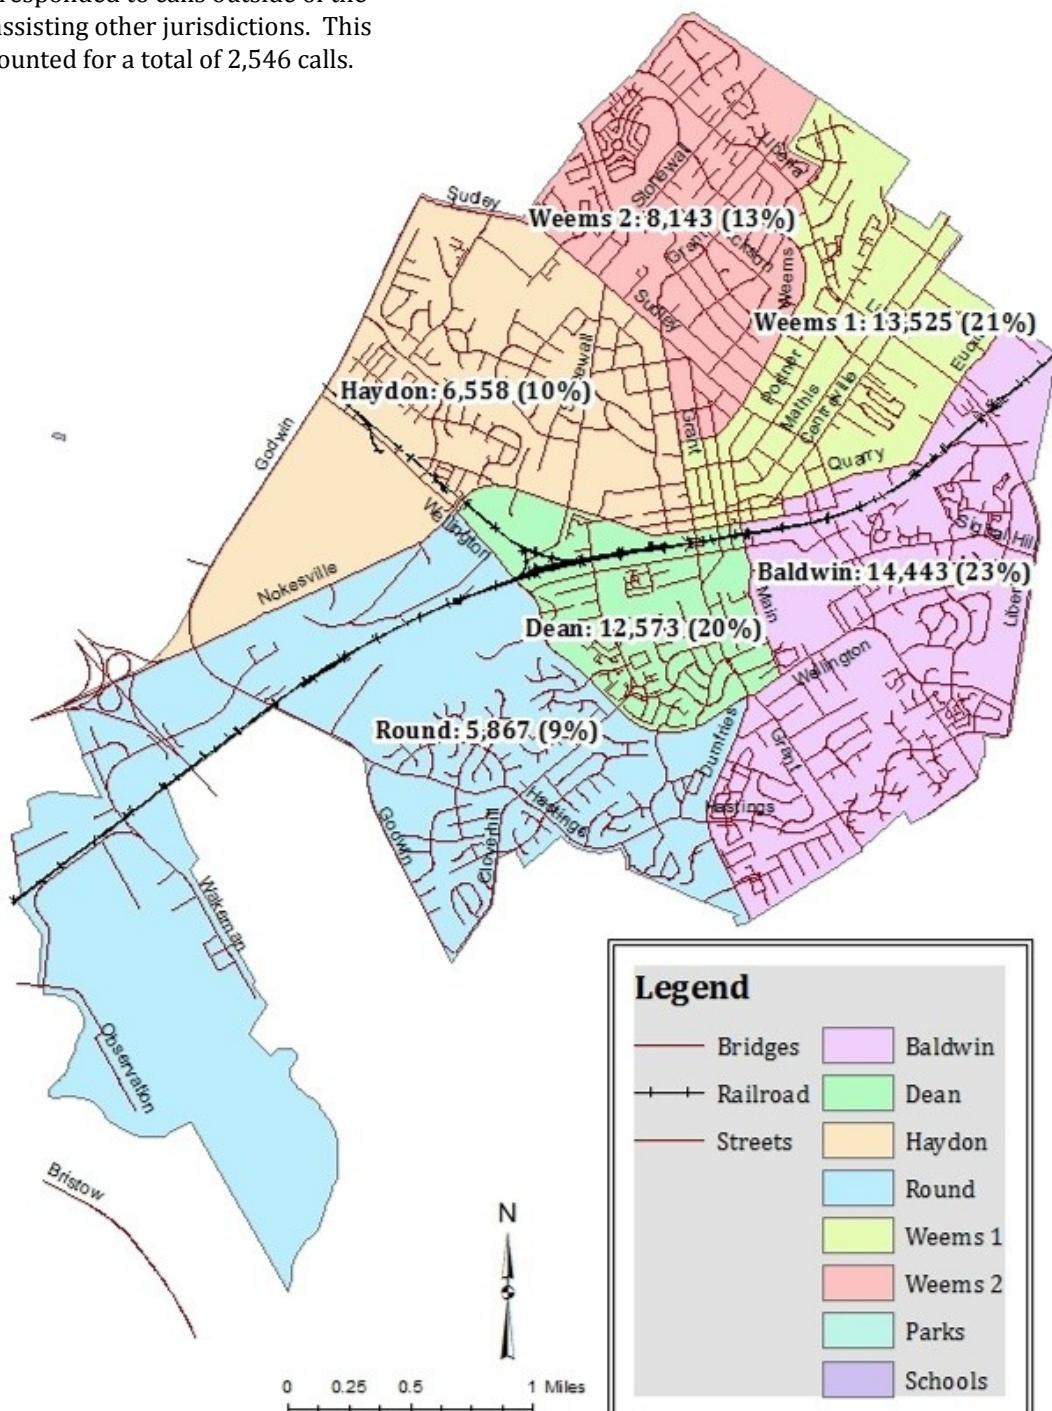

- ◆ Officer initiated calls increased 3% in 2013 compared to 2012 (+1,438 calls).
- ◆ The 5-year average of officer-initiated calls is 38,600.

CALLS FOR SERVICE: Beat Distribution

2013 Calls for Service

In addition to the number of calls for service for each police beat, officers also responded to calls outside of the city assisting other jurisdictions. This accounted for a total of 2,546 calls.

This map is intended for reference purposes only. The City of Manassas does not provide any guarantee of the accuracy or completeness regarding the map information.

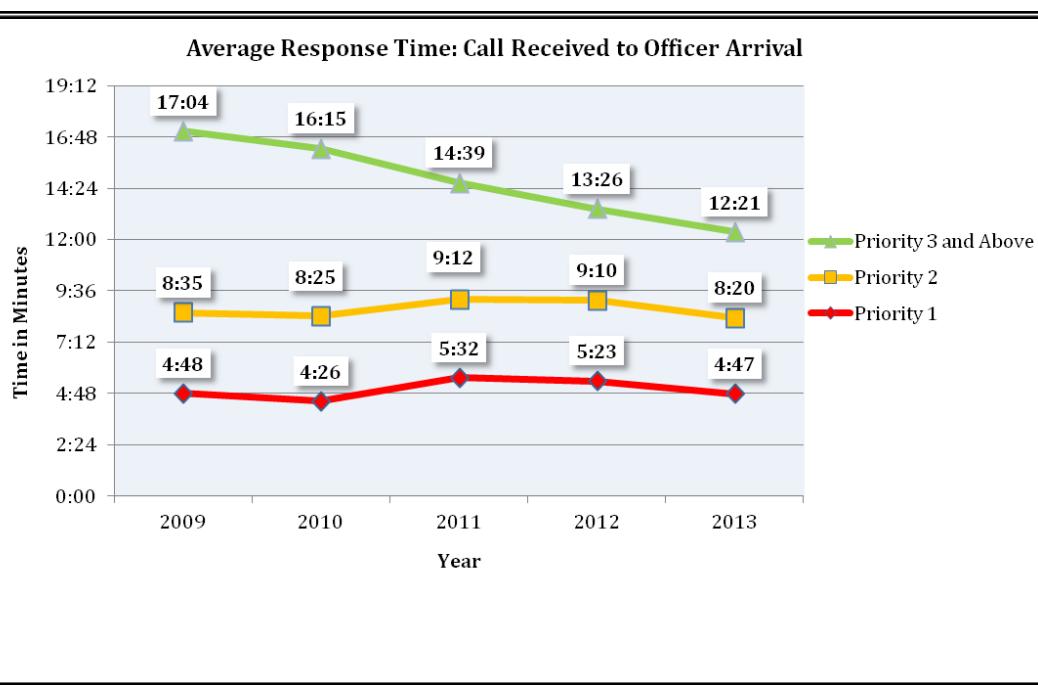

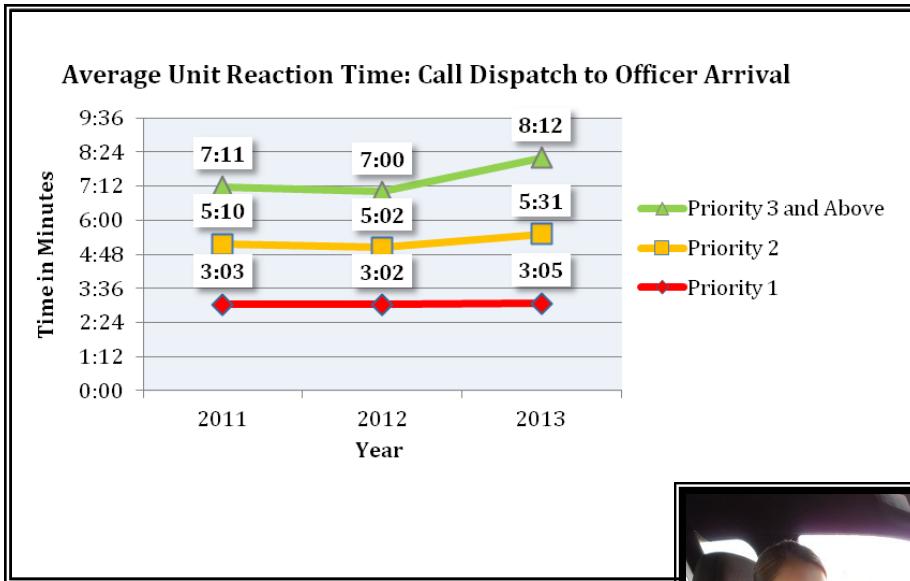

Records retrieved from MCPD RMS Incident records. Created February 19, 2014 by crime analyst T. Hines.

RESPONSE TIMES

There are two measures of response time reported here. The first is the average amount of time it takes an officer to arrive on scene once he or she has been dispatched. This is referred to as "Unit Reaction Time."

The second measure of response time is the amount of time it takes emergency communication specialists to execute the call, dispatch patrol officer(s) and for the patrol officer(s) to arrive on scene.

Overall response times decreased in 2013 compared to 2012, but unit reaction times increased slightly from a few seconds to over a minute. The goal identified in the Strategic Plan is for an average Unit Reaction Time for Priority 1 / Emergency calls to be 3 minutes or less and this year the average was 3:05.

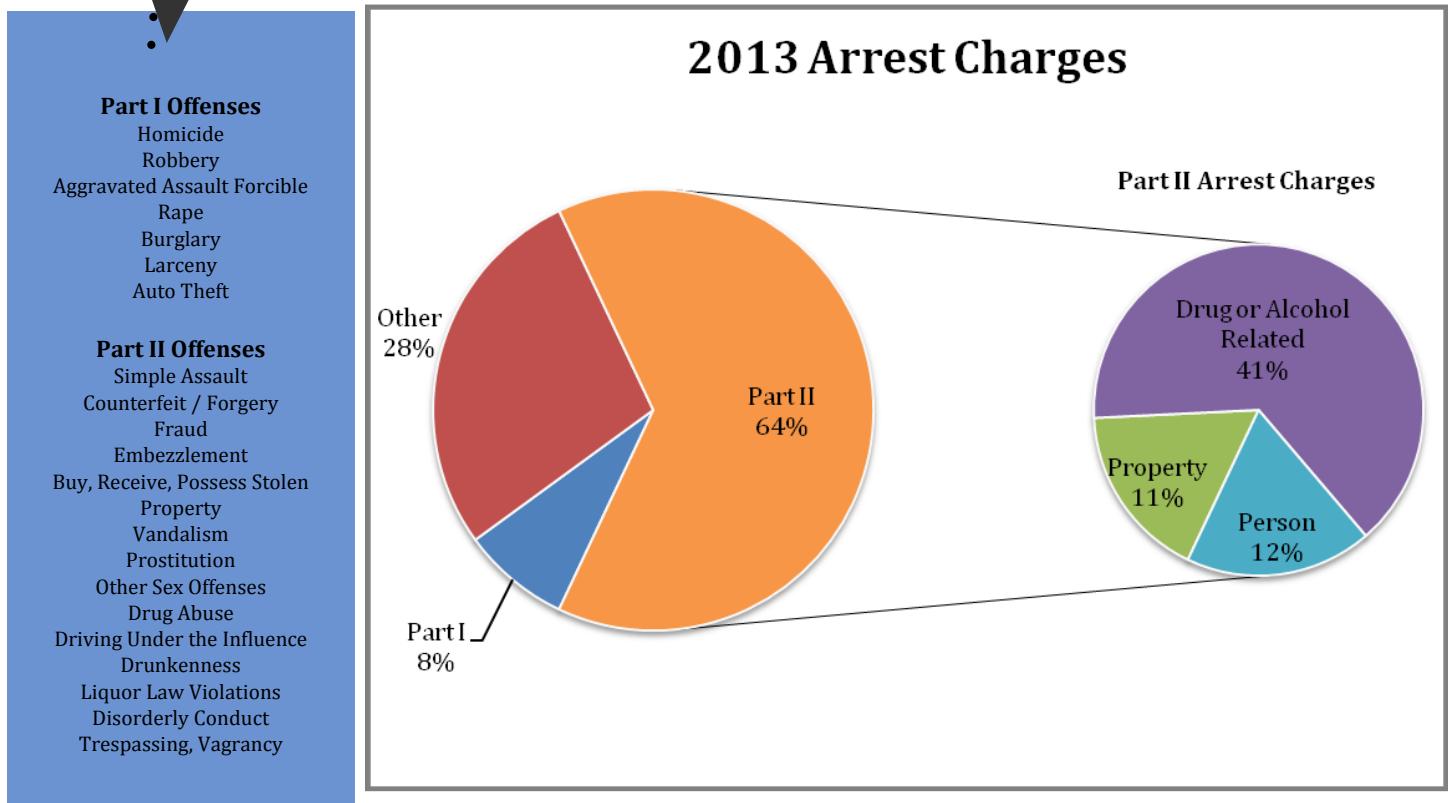

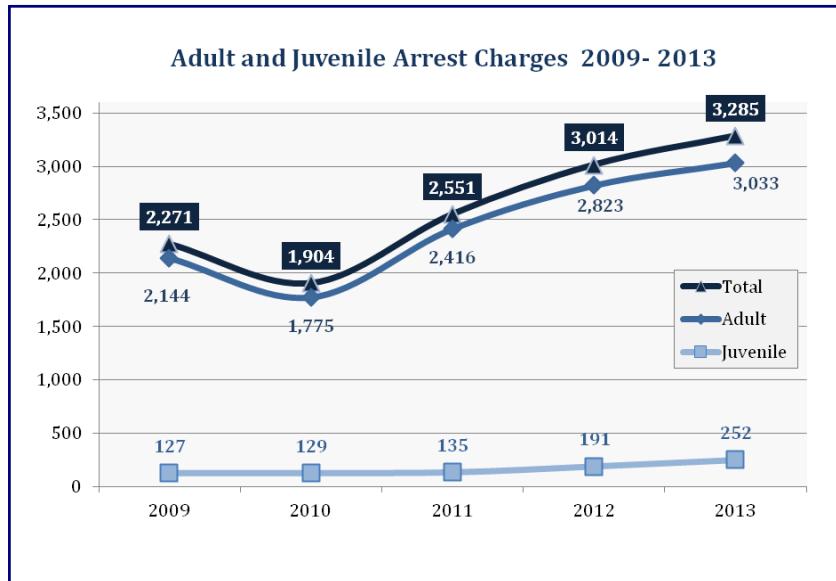

* Note: 2011-2013 figures are based on phone calls from citizens. In previous years, it is possible that all calls for service were used to calculate these averages.

ARREST CHARGES

This year, over 2,500 people were arrested for slightly more than 3,000 charges.* Juvenile arrests increased 32% over 2012 while adult arrests increased 7%. The most common charges for juvenile arrestees were alcohol, tobacco, or drug related charges, or for domestic assaults or for warrants from other agencies. The most common arrest charges for adults were for similar violations related to alcohol and drugs, assaults, and warrants served from other agencies.

*Actual figures: 2,549 people arrested for 3,285 charges; 208 juveniles arrested for 252 charges; 2,341 adults arrested for 3,033 charges.

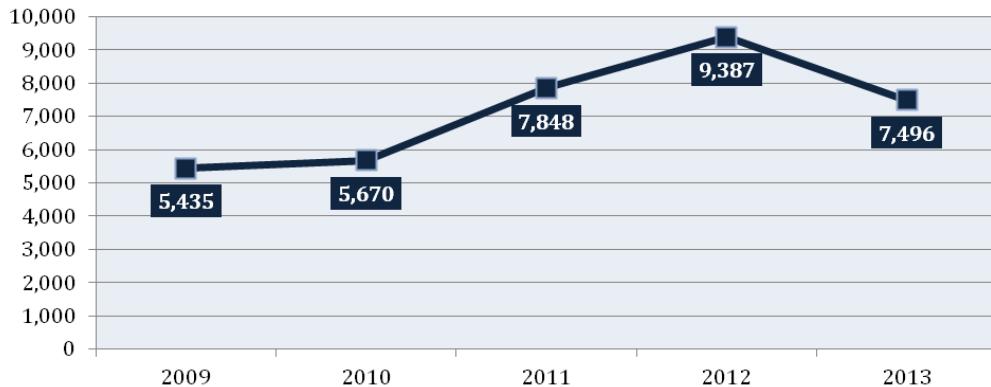

TRAFFIC AND ACCIDENT ANALYSIS: Traffic Citations

As part of the greater Washington D.C. Metro region, traffic concerns are a top priority for Manassas residents, employees and commuters. The Traffic Services Unit augments the Patrol Services Division in conducting traffic enforcement and responding to reports of traffic crashes in an effort to ensure the City's roads are safe and passable.

In 2013, 20% fewer traffic citations were issued than in 2012, returning to a similar amount as was issued in 2011. The largest decrease was in disregarding stop sign citations. The "other" category consists largely of non-moving violations such as expired registrations and safety inspections, and illegal tint on windows.

	2009	2010	2011	2012	2013	Amt of Change 12-13	Rate of Change 12-13
Speeding	1,010	1,237	1,031	1,979	1,671	-308	-16%
Reckless Driving	229	182	233	293	375	82	28%
Suspended O/L	434	410	994	527	475	-52	-10%
Disregard Stop Sign	232	346	1,357	880	444	-436	-50%
Disregard Traffic Signal	222	266	299	322	244	-78	-24%
Other Traffic	3,308	3,229	3,934	5,386	4,287	-1,099	-20%
Total Traffic	5,435	5,670	7,848	9,387	7,496	-1,891	-20%

5 - Year Comparison of Traffic Citations

The Traffic Services Unit consists of four officers and one supervisor. They patrol the City, conduct traffic enforcement, and respond to vehicle crashes on motorcycles, rain or shine.

The Traffic Services Unit conducts inspections of motor carriers and reports violations as appropriate. In 2013, 70 inspections resulted in 23 equipment/safety and operator violations and 5 vehicles were placed out of service. There were 22 units with no violations.

	Total Inspections	Units With Violations	Equipment / Safety Violations	Operator Violations	Units Without Violations	Units Placed Out of Service
2009	72	27	38	3	45	1
2010	67	35	41	2	32	0
2011	34	23	27	2	11	0
2012	92	32	69	4	58	2
2013	70	22	22	1	48	5

TRAFFIC AND CRASH ANALYSIS: Crash Days and Times

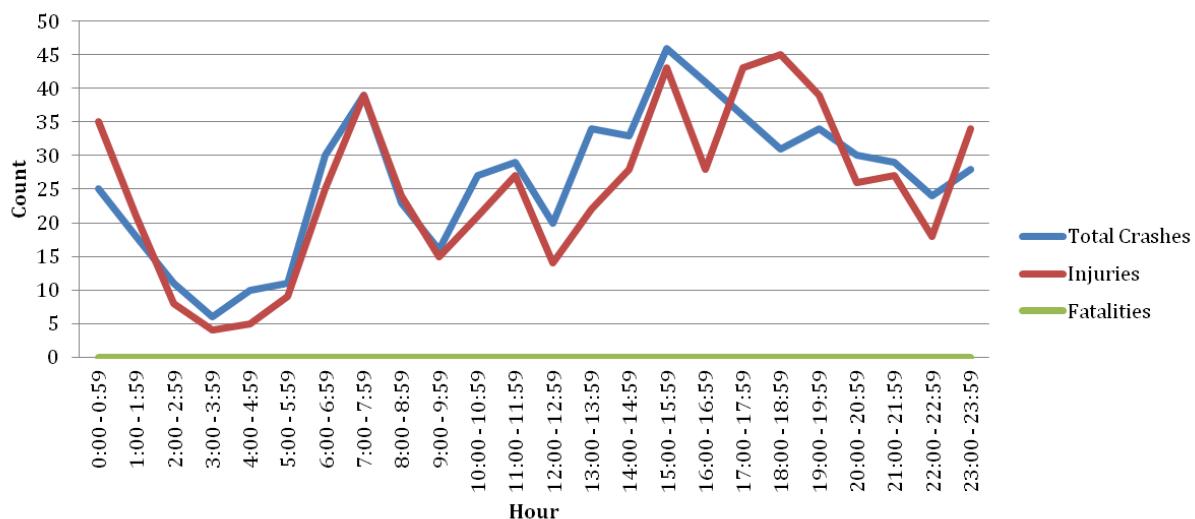

Traffic crashes reported here are those that incurred more than \$1,500 in personal or property damages and for which the responding officer took a report. Here are a few facts about traffic crash trends in Manassas:

- ◆ There were 631 reported crashes in 2013 which is consistent with the steady trend over the past five years.
- ◆ There were 600 reported injuries, 82% of which were minor.
- ◆ Sunday is consistently the day with the least number of crashes. Tuesday and Friday have historically been the days with most accidents; however, this year shifted to Monday (100 crashes) and Saturday (107 crashes).
- ◆ Most crashes occurred during the afternoon hours, between 3pm and 5pm and during the morning commute, between 7am and 8am. In 2012, the time segment with the most accidents extended from 3pm to 7pm.

Number of Crashes by Day of the Week

Crashes, Injuries, and Fatalities by Time of Day

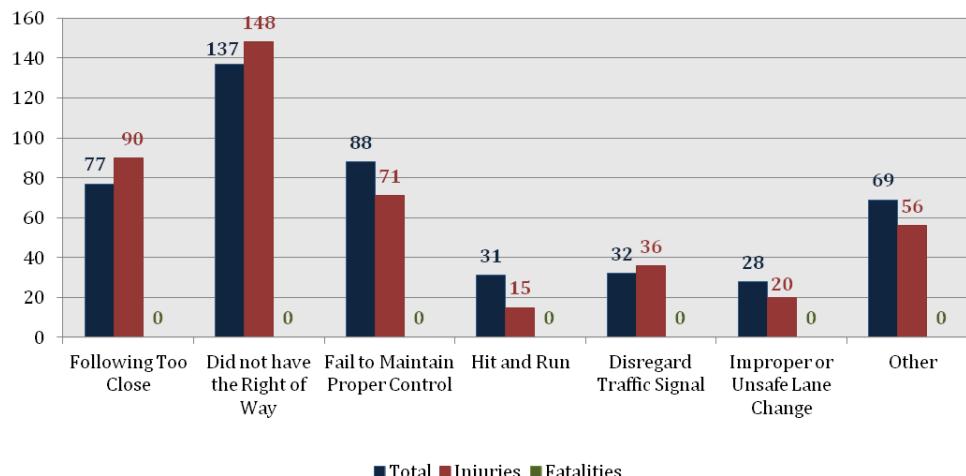

TRAFFIC AND CRASH ANALYSIS: Accident Locations and Causes

The Liberia Avenue corridor south of Centreville Road continued to be the stretch of roadway with the most traffic crashes in 2013. The top three intersections for the year for crashes and injuries were Liberia Avenue at Centreville Road, at Euclid Avenue, and at Signal Hill Road.

2013 CRASHES BY LOCATION (INTERSECTION)			
Location	Total	Injuries	Fatalities
Liberia Ave, Centreville Rd	36	35	0
Liberia Ave, Euclid Ave	22	22	0
Liberia Ave, Signal Hill Rd	14	29	0
Liberia Ave, Prince William Pkwy	11	18	0
Sudley Rd, Grant Ave	10	13	0
Centreville Rd, Breeden Ave	9	10	0
Ashton Ave, Cockrell Rd	9	14	0
Nokesville Rd, Godwin Dr	7	4	0
Mathis Ave, Sudley Rd	7	14	0
Wellington Rd, Godwin Dr	7	8	0
TOTAL	132	167	0

2013 Traffic Crash Cause Factors

- ◆ The majority of crashes in Manassas City are caused consistently by drivers following too closely and by drivers not having the right-of-way.
- ◆ In 2013, these driving behaviors resulted in 214 crashes (34% of the total) and 248 injured persons (41% of the total).

PARKING ENFORCEMENT

As the population in Manassas has become denser, space for parking has increasingly become a concern. There are four parking enforcement officers who augment the Patrol Services Division in enforcing City parking codes.

There were 28% fewer parking citations issued in 2013 than in 2012, most notably in Overtime Parking with a 49% reduction and a 39% reduction in Yellow Curb parking violations.

Type of Ticket	2009	2010	2011	2012	2013	Amt of Change 12-13	Rate of Change 12-13
No Parking	1,107	1,084	1,111	1,201	987	-214	-18%
Overtime Parking	1,028	1,002	1,101	498	256	-242	-49%
Yellow Curb	282	335	405	476	288	-188	-39%
No Current State License	1,337	1,317	1,200	1,117	910	-207	-19%
Other Parking	3,267	2,057	3,169	3,028	2,110	-918	-30%
Total	7,021	5,795	6,986	6,320	4,551	-1,769	-28%

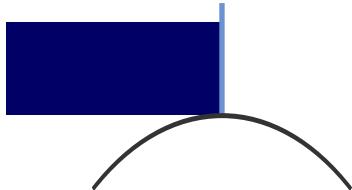

*The majority of tickets in the "Other" category are GTS Parking Permit Violations (519 total).

ANIMAL CONTROL

The Animal Control Unit consists of two animal control officers and one supervisor, in addition to the Manassas Animal Adoption Center staff. This unit responds to and investigates reports of animal abuse, neglect, nuisance animals, dangerous animals, animal bites and wildlife concerns. They issue dog licenses year round, track lost and found pets, and enforce City ordinances and State laws.

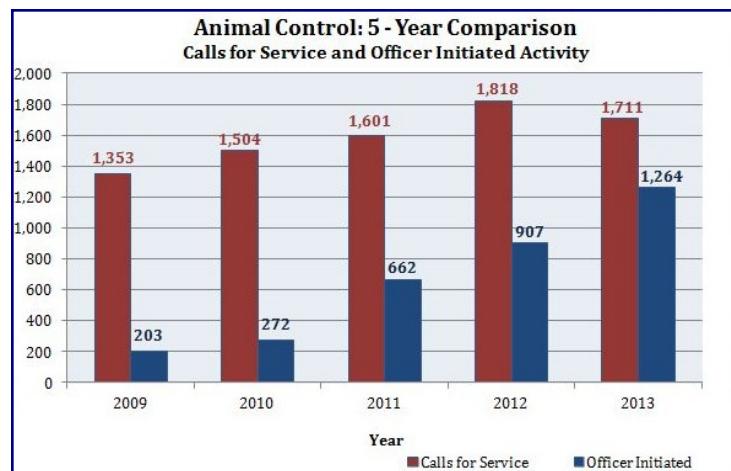

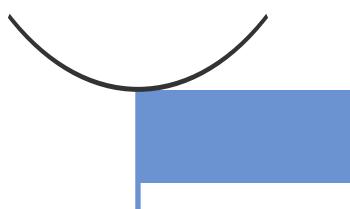

Animal Control Officers also attend community events and help educate the public on responsible pet ownership.

Over the past five years, the number of animal complaints has steadily increased to just under 2,000 calls the past two years (2013 actual: 1,711). The most common complaint from citizens is dogs running loose.

When animal control officers are not responding to calls, they follow up and check the welfare of animals involved in their cases or assist patrol officers on their calls for service. The officer initiated activity has increased over the past 4 years; 40% in 2013 over 2012.
